## **Milk Street Café, Rosenfeld's Bagels Top Survey of Massachusetts Kosher Establishments**

Boston, MA (December 3, 2009) — The results of the 2009 Massachusetts area kosher survey conducted by Kosher Community Surveys LLC have just been released. The survey asked local consumers their opinions of Massachusetts area kosher stores, restaurants, and bakeries. Overall winners were:

Best Kosher Restaurant:	Milk Street Café
Best Kosher Bakery:	Rosenfeld's Bagels

Other establishments with strong showings included: Taam China (Newton), Cheryl Ann's, and Stop & Shop. Neil Rosenbaum, President of Kosher Community Surveys LLC, commented, "Armed with these survey results, kosher consumers should congratulate those establishments that did well and ask owners and managers what they plan to do to improve in the coming year." Over 350 people participated in this year's survey.

The results of the survey are compiled and published in the final report that can be found on the company's website. The final survey report provides significant insight into the community's collective opinion on Massachusetts kosher establishments. The report is a unique resource for consumers to use in deciding which businesses to patronize. In addition, the results of the survey can provide restaurants, bakeries and stores with guidance on how to better serve their customers.
